Quiznos Westshore

Life has a funny way of coming full circle. The first Quiznos in the West Shore was located up on Goldstream Ave. As the business grew it was relocated to its current location. Life happens and the Westshore Quiznos underwent a change in ownership and a new face to the franchise. When the opportunity came knocking for Karen to re-open her original store, she jumped at it. Karen is grateful for her hard working staff and their continued effort to improve as a team. Karen strives to serve a tasty sandwich with a smile. She is excited about the opportunity to re-establish the restaurants reputation and earn back the trust of those that got lost in the wash. Thank-you!

Judith Garner, VanCity

I love going to work every day at VanCity! I am passionate about member service because there are few rewards greater than knowing you have made "a difference in some ones day and truly enhanced their banking experience." I always follow the philosophy of 'treat other's how you want to be treated yourself' I enjoy getting to know our members on a personal level as well as helping them achieve their financial goals. It gives me such satisfaction at the end of a transaction, when a member thanks me sincerely, with a handshake, and yes, even hugs, what a great way to spend the working day!
